- Use GLOBAL GARDEN PRODUCT genuine spare parts specified in the parts list for repair and/or replacement.
- Then contents described in the parts list may change due to improvement.
- The drawings of the spare part are only indicative and might not represent the part in question exactly.
- The indications "right" - "left" - "front" - "rear" refer to the position of the operator when using the machine.
- When placing orders of parts for repair and/or replacement, make sure that the illustrated parts list is the one applying to the machine's year of manufacture, as shown on the identification plate attached to the machine.
